# Cocktail

Our list pays homage to the history of the Opera House, both old and new.

Finished in 1900, there was a strong French influence in its early history with the architects – Felix Oliver, Ernest Guichard and Eugene Ferret - all hailing from France, and the design based off Le Petit Palais in Paris.

With this in mind our list has a strong classic French look, as well as some modern Vietnamese twists inspired by the fabulous AO show which performs nightly in the theatre.

Should you prefer something more recognisable, our talented bartenders will be very happy to hook you up with your favourite liberation.
