YOU DON'T TAKE A VENUE
— YOU **MAKE** IT! —

Events on 26

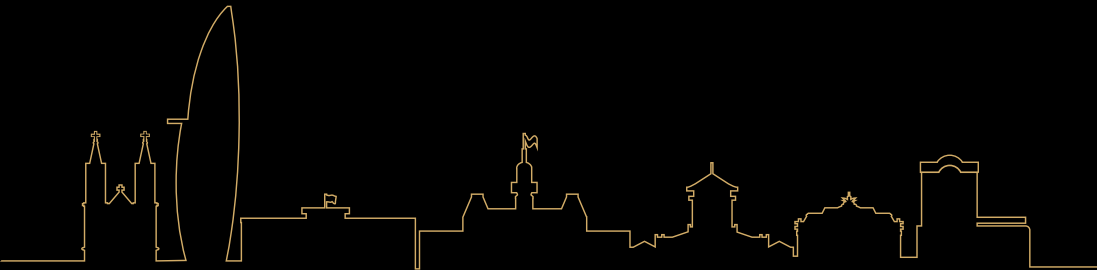

High above the Saigon skyline, an incomparable venue invites you to make it your own. Gather friends and influencers, celebrate milestones, or follow your creativity wherever it leads with this dynamic city for a backdrop. Experienced chefs and event planners from Caravelle Saigon are on hand to make your vision for each event a reality. From private dinners to product launches, fashion shows to film screenings, this singular space is a blank canvas waiting to be transformed into something unique.

The Space

The 26th level of Caravelle Saigon opens onto incredible views of the Saigon River, the towers of the downtown area, and the twinkling cityscape below. A 215 square-metre space covered in grassy turf can hold 100 people for cocktails or 50 people for dinner. Adding to its intrigue, guests must navigate along a red carpet and through a skyline corridor before emerging onto the roof of the hotel.
